- Teamwork, Problem Solving,
- Code Review, Communication

EDUCATION

HUTECH - Ho Chi Minh City University of Technology

4th year student with GPA of 3.0/4.0

2021-2025

EXPERIENCE

JobPortal - Online Job Search Platform

Personal project

Develop a job portal using Node.js, Express, ReactJS, and MongoDB, utilizing RESTful API and JWT authentication. The system supports role-based access (admin, employer, applicant), profile management, job posting, job search, and online job applications.

Lumiereshop - E-commerce Platform

Group project

Build an e-commerce platform using ASP.NET Core MVC, HTML, CSS, JavaScript, and SQL Server. The system provides product management, shopping cart, payment via VNPay, order management, role-based access, admin dashboard, user-friendly interface, email verification, and advanced product search.

CERTIFICATE

TOEIC Listening & Reading - Score: 620/990

Test Date: 13/08/2025

Valid Until: 13/08/2027
